2024-2025 Verification of Non-Filing Document for Verification Purposes

Due to a new federal regulation, Florida Gateway College needs to verify that the student listed and/or the parent of a dependent student did not file a 2022 tax return but has attempted to do so. Please fill out the form and turn it into the financial aid department to complete the verification process.

Please note that by signing this form you are stating that you have made an attempt(s) to secure a Non-Filing Letter from the IRS, and that/those attempts were unsuccessful. Furthermore, you understand that it is fraudulent to falsely sign a document for the use of obtaining federal funds, and if found to be fraud you will be held to the penal system of the American Government.

☐ I the student certify that I did not file taxes in the 2022 year and was not employed. I further attest that I did make attempts to secure a Verification of Non-Filing from the IRS, but those attempts were unsuccessful. I am attaching a copy of my W2s (if applicable) and the 4506-T form here that was originally submitted. When or if you receive these documents from the IRS, you will be responsible for bringing the required documentation to the financial aid office.
