

**BIOTECHNOLOGY, A.S. (62 Credits)**

Meta-major: STEM

The **Biotechnology A.S.** articulation agreement between Florida Gateway College (FGC) and Santa Fe College (SF) provides a pathway for students to take general education and prerequisite coursework with FGC and transfer to earn their associate in science degree in Biotechnology with SF.

For more information about the general education coursework, visit [www.fgc.edu](http://www.fgc.edu) and your academic advisor.

For more information regarding the associate in science program, visit the [Biotechnology SF](#) and [Perry Center](#) page.

This pathway presents classes needed to earn general education and prerequisite credit with FGC and your associate in science degree in **Biotechnology** with SF. It does not represent a contract, nor does it guarantee course availability or entry into the program. As always, visit your academic advisor each semester to help you keep on track for graduation.
