

Electronic Consent for Financial Aid Transactions

Student Name: _____ Student ID#: _____

Section I: Details

Do you voluntarily consent to participate in electronic transactions for all federally required authorizations and notifications?

Voluntary consent is necessary to participate in electronic transactions for all federally required notices and authorizations to Federal Student Aid recipients per 34 CFR 668.165 (The Electronic Signatures in Global and National Commerce Act E-Sign Act).

If you choose to voluntarily consent to participate in electronic transactions then you will receive federally required notifications via email and you can submit federally required authorizations via the internet, e.g. MyFGC portal at my.fgc.edu and/or wolves email account.

If you choose not to voluntarily consent to participate in electronic transactions, then you will receive federally required notifications via regular mail, and you will have to submit federally required authorizations via paper.

You only have to complete this consent once while you are at FGC, as it may stand for your entire FGC career, but you may rescind this consent at any time by writing to the Financial Aid Office.

By selecting 'Yes' you are stating that you understand and agree that Florida Gateway College uses e-mail and/or MyFGC portal at my.fgc.edu as an official method of communication with you, and that you are therefore responsible for reading the e-mails you receive from Florida Gateway College on a timely basis. Be advised that you will receive courtesy emails from the Financial Aid Office regardless of your answer to this question.
